## ONAM CELEBRATION-2K23

Onam is a prestigious celebration for all Keralites, and for Darsana family too. As early as the sun was risen, brothers commenced the preparations for a meaningful celebration. The presence of *Maveli* and *Vamanan* doubled the joy of the community. Teachers from our school, neighbours and our helpers also were invited for the sumptuous *sadya* prepared by our own brothers. The Onam games, organized by the captains added colours to the day.

## ONAM 2.0

On 3rd September, our Onam celebration came to an end with the Holy Mass in Malayalam along with the *pavitra parivar*. Under the leadership of the dept. of *pavitra parivar*, we inculcated the spirit of onam, by hoisting a 30 minutes program, comprised of Introduction by *Maveli*, speech by *Vamanan*, dance, onam song, distribution of *payasam* and concluded with a tight 'Tug of War'.

## GURU VANDANAM

On account of Teachers' Day, the Students' Council of the Institute made up a 1 hour program on 5th. The Teachers were revered and gratefully remembered through the program 'Guru Vandanam'. Students put up some different cultural extravaganza too. And they reiterated the love and concern they have towards the Faculty. The message by Dr. Rajesh Kavalackal CMI was so gripping to the students.

## HIREATH

Under the auspices of Darsana, the students get aware and interested to the untapped exposures and may nurture for the future. 'HIREATH' was an Atmodaya Extension Lecture presented by Dr. Varghese Puthuparampil CMI. It was all about his travel to the different corners of India and Nepal. Students enthusiastically gave ears to his adventurous journey and it instilled in them a passion to bear wanderlust for knowledge and enlightenment.

## SENT OFF

Fr. Ajesh Vadackel CMI, the former Animator who strenuously worked for the growth of Darsana for the last two years was given a grand farewell on 18. He left us to have his higher studies in Germany. We wished him all the best.
